

# MEMBER CODE *of* CONDUCT

All Members of TRANZnet agree to:

- » Provide service in a way that is fair and equitable for clients including learners and industry/enterprises.
- » Work in accordance with endorsed industry standards, laws and regulations.
- » Establish and maintain measures to protect the safety and wellbeing of participants in services provided.
- » Maintain professional competence and endorsements to conduct their services.
- » Avoid conflicts of interest in providing their services.
- » Promote TRANZnet's professional ethics in their services
- » Uphold and promote the professional status and reputation of TRANZnet.
- » Conduct themselves with the fraternal membership of TRANZnet as a key component of their activities.
- » Build continuous improvement in their services and professional competence.
- » Conduct themselves in accordance with the Rules of Association under which TRANZNET is incorporated.
- » Conduct themselves in a manner which does not damage the business operations, or is detrimental to the standing and reputation of TRANZnet.
- » Refer any matters which have the potential to impact on the professional standing of TRANZnet to the Association Executive.
- » Support other members to uphold the TRANZnet Code of Conduct

***TRANZnet is the peak body representing trainers, assessors, RTOs and consultants providing services to the Transport, Logistics, Distribution, Plant, Mining and related Industries.***
